

The Resort Courtyard

The center of the action here at Litchfield Beach & Golf Resort! This beautiful green space is surrounded by our front desk, golf office, Starbucks, Sea Oats gift shop, Michelle Elizabeth Day Spa, Beachside Health & Fitness, Webster's Restaurant and Tavern, and our three main meeting spaces: The Tara Complex, Francis Marion Rooms, and the Alston Room.

The Tara Complex

The Tara was once the home to a two-screen movie theater. Enter through the newly renovated lobby area, complete with snack bar turnstile often used for break stations and registration areas.

A small boardroom can be found just off of the lobby that can be used as a boardroom or office space.

The Tara Theater seats 232 people in comfortable seats complete with pop-up desks, has adjustable lighting and the original movie theater screen. It's the perfect location for AV heavy presentations, or speakers who need to be showcased on the stage. A basic assortment of AV equipment is available for rental through the catering department, or we can help you locate equipment through our local vendors.

The Tara Ballroom is across the hall from the theater. At 3300 sq. ft., it underwent an extensive renovation in January 2009, and now features a stage, new lighting & sound systems and new carpet and chairs.

The Ballroom can accommodate a maximum of 220 for a seated meal, or 300 for an hors d'oeuvre party. For a trade show setup, the ballroom will hold about 33 vendor booths depending on the size and setup. The Tara Lobby area can also be used for additional exhibitor booth space.

The Tara Patio is our newest addition, built in the beginning of 2010.

The Patio is 3600 sqft surrounded by a brick fence. A great new outdoor option to events in the ballroom!

The Francis Marion Room

The Francis Marion Room is a rectangular shaped 2500 sqft space with air walls that separate it into four rooms labeled A-D. Each has an exterior door and individually controlled lighting and temperature. The Francis Marion is adjacent to Webster's Restaurant, with a door leading directly into room D. The whole space will seat up to 150 for a plated meal. Each individual room will accommodate up to about 35 guests, depending on your room setup.

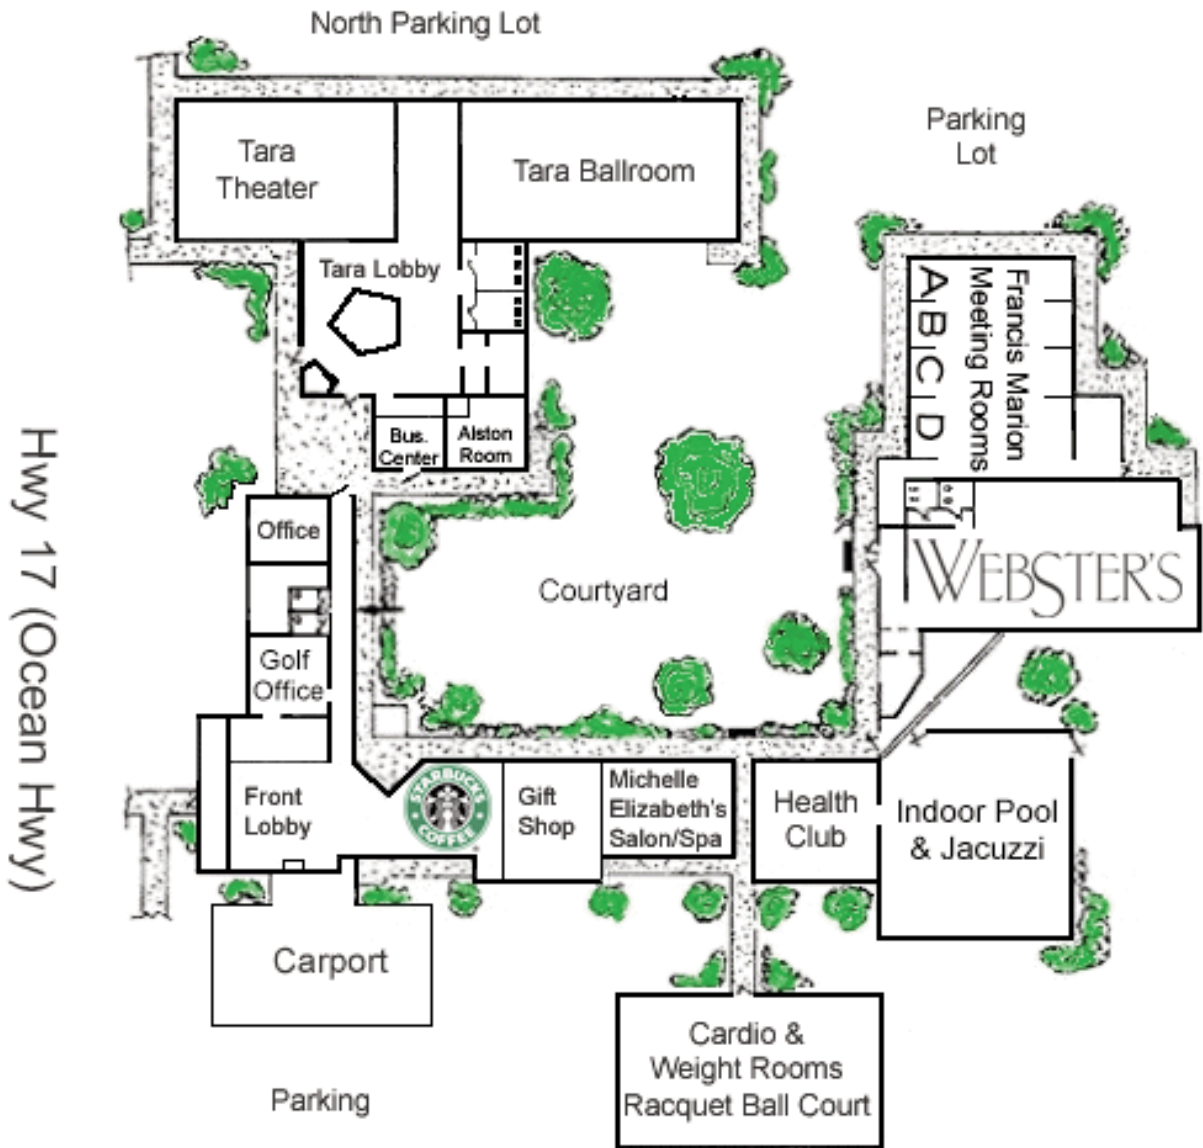

The Alston Room

This smaller meeting space is 340 sqft, and features a private bath and mini-fridge. With a glass wall facing our courtyard, it's a lovely room for any executive committee. Depending on your seating design, the Alston room can comfortably accommodate about 20 guests.
